To Whom It May Concern:

Re: Kellaway Carpentry Services

We confirm that we have been acquainted with Kellaway Carpentry Services for the last two years.

Kellaway have been responsible for the completion of the Carpentry Sub-contract package at Caerau School and presently on Southwest Cwmbran Primary School.

Kellaway supervisors/ operatives are conscientious, have the ability to manage work, achieve a high standard and complete the works in the specified period.

Caerau School in particular was an extremely sensitive project, with school children / teaching staff occupying playing areas adjacent to working areas.

Kellaway supervisors have a good understanding of the working environment and have proved their ability, liaison and safety skills.

Kellaway have shown that they have considerable experience in the construction industry, with their supervisor's management skills, would prove their ability of a good sub-contractor / team leader's on demanding projects.
